

For the safety of our employees, pet owners and community, we are limiting access to our hospital at this time.

If your pet is experiencing an emergency, please enter the hospital.

NOTE: FACE MASKS ARE TO BE WORN AT ALL TIMES

For New Clients: Our "New Patient" form is available online for your convenience. We recommend completing this prior to your pet's scheduled appointment to help streamline our check-in process.

Upon arrival, please see the instructions on the signs located throughout the parking lot regarding our check-in process.

Additional instructions are provided on the back of this page.

A staff member will gather all necessary information over the phone to prepare for your pet's visit.

We will then greet you at your car and bring your pet into the hospital for his or her visit. After we perform our exam, we will call you to discuss findings and answer your questions.

Following the exam, you will be contacted by one of our team members regarding next steps for any outstanding paperwork and collecting payment. One of our clinical staff members will return your pet to you at your car.

Thank you for your patience and understanding during this time!
